Dear Ruidoso Valley Noon Lions Members:

During this season of Thanksgiving, the Lincoln County Head Start program would like to thank you for your donation check in the amount of \$1,000.00. You have been an excellent supporter of the program and your financial donation will go towards emergency assistance for Head Start children and families living in Lincoln County. This may include warm clothing, blankets, heaters, dental services, and aid in funding other situations that may arise.

If you are not already aware, Head Start is a federally funded program that depends on the community and volunteers for 25% of our total operating budget. The program received a budget cut during this fiscal year for the first time in history. Without generous organizations like yours and other community support the Head Start program could not remain in operation.

Thank you again for your generosity and support for the children and families in the Lincoln County Head Start program.

Sincerely,

Melina A. Romero  
Head Start Director
